Person Centered Plan

Demographic Information

- Child's name:
- Preferred gender pro-nouns:
- Birthday:
- Primary caregiver(s):
- Phone / email:
- Address:
- Preferred communication style (how you like updates):
- School district/program name and relevant contact information:

Personal and Family Values

- What are your family's core values? What do you value most out of an educational experience?
- What are your child's core values? What interests them and/or what do they value the most?
- Do you have any family outings, trips, or other experiences you would like to incorporate in the PCP?
- Do you have any community resources that should be integrated into your PCP?
- Where is the best place to meet for in-person meetings?

Learning Preferences

- What are the strategies you have learned that help your child learn more effectively?
- What helps your child keep their attention/focus?
- Does your child have any triggers? What do they dislike?
- Does your child need any communication supports?
- What are your child's strengths and interests to build into learning (subjects, hobbies, motivators)?

Current Course of Study

- What are the current coursework, subjects, and standards/curriculum?
 - What subjects are your child working on currently? What is their weekly schedule?
- What materials have been provided by the school district?
- Are there any special resources needed (i.e. assistive tech, reading level supports, manipulatives)?
- Where/how materials are stored and accessed? Are they digital or physical?

IEP (Individual Education Plan for Special Education)

- Recent test scores / assessments:
- IEP goals:
- Patterns observed in performance (what your child does well/struggles with):
- Current accommodations/modifications:
- Services the child receives (frequency/duration):
- Related supports (speech, OT, counseling, behavior support, etc.):
- Baseline skills (brief summary):
